PARISH WORKBOOK
ST. GERARD MAJELLA - KIRKWOOD

ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

STRATEGIC PASTORAL PLANNING INITIATIVE OUTCOME

Develop a plan that will make all things new enabling a vibrant Catholic presence in every square mile of the Archdiocese of St. Louis for the next century

A Renewed Church

Gospel renewal in our parishes, schools, and other ministry efforts

A Renewed Mission

Enhance our evangelization efforts to those on the margins of society

A Vibrant Future

Secure a vibrant future for the Church of St. Louis

STRATEGIC PASTORAL PLANNING INITIATIVE

GOALS

1. **Unceasing Prayer.** Engage all individual Catholics to reflect upon the need for Jesus Christ in their daily lives and call upon the Holy Spirit to guide our actions to fully share the love of the Lord in every encounter.
2. **Unifying Vision.** Articulate and implement a vision for evangelization that empowers and expects every baptized Catholic to spread the Gospel message and ensures a Catholic presence in every square mile of the Archdiocese of St. Louis through missionary outreach, parish and school footprint, and dynamic leadership.
3. **Intentional Stewardship.** Define and develop a plan that will appropriately reallocate resources throughout the Archdiocese of St. Louis that will be supported by structures at the diocesan, parish, school, and agency levels to ensure long-term viability and vibrancy of the Catholic presence.

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

This map illustrates the geographical organization of the St. Louis Archdiocese. It delineates the boundaries of Lincoln, Warren, Franklin, Washington, St. Louis, St. Charles, St. Francois, and Perry counties. Within these counties, the boundaries of various deaneries are shown: St. Charles, North County, Mid County, South County, West County, Festus, North City, South City, Washington, and Ste. Genevieve. The map also identifies numerous cities and towns, such as St. Louis, St. Charles, St. Paul, St. Peter, St. Joseph, and St. Mary. A legend in the upper right corner explains the symbols used: a dot for cities or towns with parishes outside of St. Louis City and County, a triangle for mission churches, a thick line for county boundaries, and a thin line for deanery boundaries. The map is oriented with North at the top.

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

* Excluding retired priests resident in parishes

OUR PLANNING AREA
PLANNING AREA #6

OUR TERRITORY FOR EVANGELIZATION

ABOUT OUR PLANNING AREA

- The planning area is in St. Louis County. The geography of this area is defined by three Interstates (64, 44 and 270).
- Located in the Mid-County deanery, there are 13 territorial parishes and the Washington University Student Center. 12 elementary schools are in this planning area. Currently, there are 18 diocesan and 2 order priests assigned to this group.
- Clusters of church buildings exist in the eastern part of the planning area with parishes within a few miles of each other. Larger parishes in the southwest are also within 2-3 miles.

OUR PLANNING AREA IS THE MOST AFFLUENT IN THE DIOCESE

- Total population in the planning area in the 2020 census was up 6% from 2010.
- The area is very stable racially, age-wise and socio-economically.
- 29% of the population is registered Catholic, which is higher than the Diocesan average of 18%.
- Median household income in the area is \$111,064, well above the archdiocesan average of \$60,700.

REGISTERED HOUSEHOLDS

- Registered households increased by 2% during the decade, compared to a decline of 7% for the diocese.
- This planning area was one of only 3 planning areas to increase in Catholic households during the decade.

OUR PLANNING AREA SACRAMENTAL TRENDS

MASS ATTENDANCE

- Mass attendance declined 32% during the decade, about the same as the 30% decline for the entire diocese.
- Mass attendance as percent of capacity was similar to the archdiocesan average of 35% in 2019 and 25% in 2021.

OUR PLANNING AREA SACRAMENTAL TRENDS

BAPTISMS, FUNERALS, & K-8 FORMATION

- One of the youngest demographic areas, with baptisms significantly higher than funerals
- The Catholics of this planning area have a strong preference for Catholic day schools over PSR, as twice as many children receive formation in day schools compared to PSR.
- Though Catholic school enrollment has been up the last three years, it is still down 7% over the decade.
- PSR enrollment has declined by 28% over the decade, compared to a 40% decline for the overall diocese.

OUR PARISH
ST. GERARD MAJELLA - KIRKWOOD

ABOUT OUR PARISH

- St. Gerard Majella parish was founded in 1955 as the City of Kirkwood expanded to the west with new residential construction. Even though growth in the area is limited to very small residential developments, the parish has continued to grow and today has its largest number of parishioners (1500) and largest school enrollment (430) ever.
- The parish has undertaken several large construction projects in recent years: a new parish center in 2000 and a new school building in 2010.
- The parish church was completed in 1983 and seats 650.

ABOUT OUR PARISH

- Located in an moderately affluent area of western Kirkwood, this is a primarily residential area of single family homes.
- A strong parish with stable membership, strong baptisms and a growing parish school. There is concern about declining PSR enrollment and declining Mass attendance.
- Parish financial condition has improved significantly as the capital campaign has paid off debt and reserves are growing. Parish investment in the school is within recommend range.

OUR PARISH AREA IS RELATIVELY AFFLUENT WITH PRIMARILY SINGLE FAMILY HOMES AND A SLIGHTLY AGING POPULATION

- Population grew during the last decade as there was some new residential construction in the area.
- The area is aging as the percent of the population over age 55 has grown from 20% to 36% in the last 30 years.
- Median household income is \$115,400 which is well above the archdiocesan average of \$60,700.
- 36% of the resident population is Catholic which is well above the archdiocesan average of 18%. This is a very Catholic area.

WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are slightly more parishioner households (1441) than there are Catholic households in the boundaries (1328).
- This means that slightly more Catholic households come into the parish from outside the boundaries than leave the parish area to affiliate elsewhere.
- Adherence to the parish boundaries is below the archdiocesan average of 59% as Catholic parish membership is very fluid across parish boundaries in this area.
